PRIVATE STAFFING

Emerald Staffing was established to provide fast and efficient staffing solutions for households. We get an accurate picture of our clients' needs and requirements and work discreetly to meet them in the most effective manner. We then conduct rigorous interviews and screen candidates both in the UK and overseas.

Emerald provides a bespoke service to the world's most prominent and discerning individuals, families and businesses.

With our personalized service, we offer solutions with the goal of facilitating timely placements that result in client satisfaction and ensure long-term employee retention. We understand the needs of each individual and strive to provide exceptional service to find the household help that will exceed all your expectations and make your life easier.

At Emerald Staffing, we are all about meeting our clients' needs and guiding candidates in a way that best showcases their relevant skills and experience. We find nothing more satisfying than matching the right candidate with the right client.
